HPV Response for CAS 34375-28-5

On behalf of Troy Corporation, attached please find a response to EPA's November 28, 2005 comments on the robust summaries previously submitted for ethanol, 2-(hydroxymethylamino)- (CAS No. 34375-28-5).

If you have any problems with the files, please let me know.

Thank you,
Adrienne Kiley

This E-Mail message contained an attachment which is a computer program.

This attached computer program could contain a computer virus which could cause harm to EPA's computers, network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced into the EPA network. We are deleting all computer program attachments sent from the Internet into the agency via E-Mail.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the E-Mail with the renamed attachment. After receiving the revised E-Mail, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
